

How to challenge an opponent on Lichess

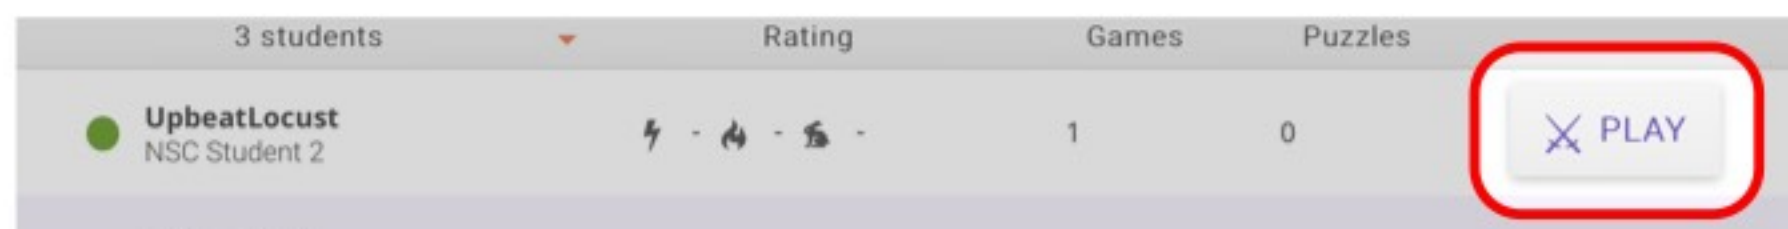

1

In your class, find your opponent.
You will see a **green circle** if they are online.

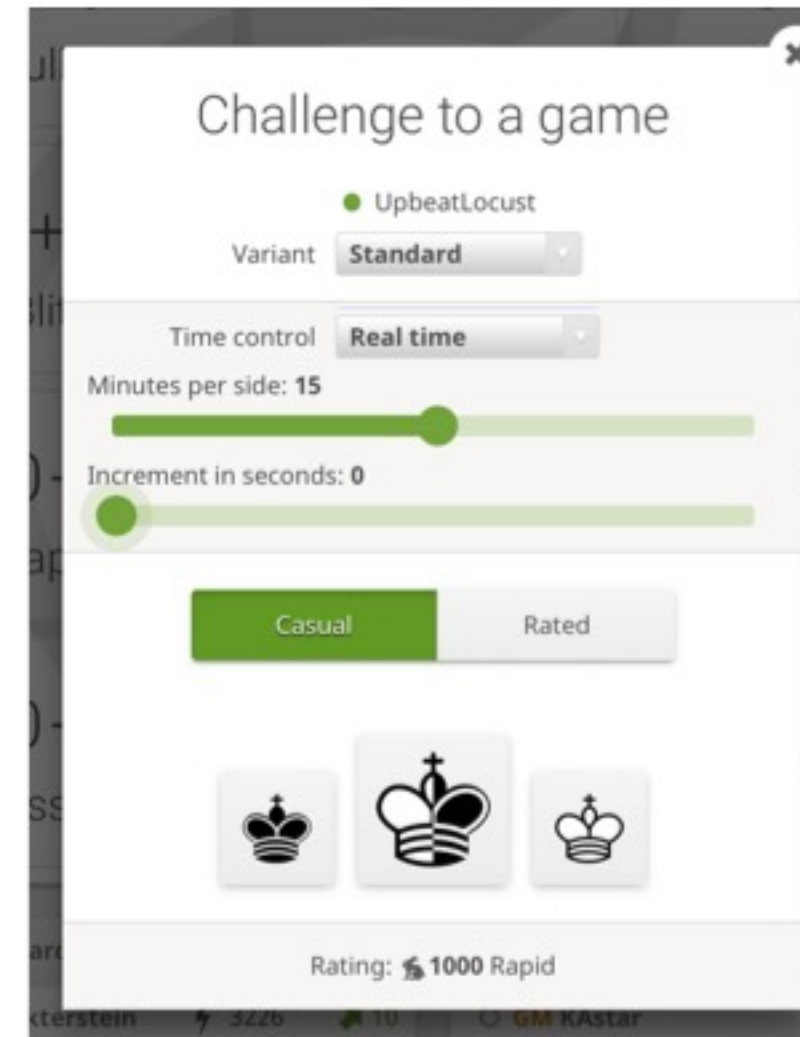

2

If your opponent is online, you can
click **PLAY** to challenge them.

3

Use these settings to set up your game:

Variant: Standard

Time control: Real time

Minutes per side: 15

Increment in seconds: 0

Casual

Then click the white king to play as white.

The game will begin when your opponent
has accepted your challenge.
