## About the programs – general information

### Junior Chess Club (JCC) – 1:00pm to 2:30pm

- Multiple groups catering for Beginners to Advanced students.
- Experienced, Engaging, Fun Expert Coaches
- Training for enjoyment and rapid improvement
- Focus on tactics training

The Northern Star Chess Sunday program has been specifically designed to develop the 3 most important brain skills for long term chess progress:

1. **Mental Discipline**, the willingness to be patient, careful and thoughtful
2. **Forward calculation**, visualising and assessing positions a few moves ahead
3. **Pattern recognition**, to improve instincts and subconsciously recognise opportunities and the right moment to pause and calculate.

### Junior Tournament Squad (JTS) – 2:30pm to 4pm approx

- This program is conducted exclusively on site. The JTS program is most beneficial to the students when delivered face-to-face.
- Open to NSC Sunday Junior Chess Club participants as an extension program. (external students also welcome)
- Suited to young chess players whose skills are progressing and who wish to learn to play in chess tournaments over longer time limits

What:	Why?
<ul style="list-style-type: none"><li>• Expert chess tournament training and advice on chess tournament performance</li><li>• A Junior Tournament Squad Event of 9 rounds during the term</li><li>• Time control is 25 mins per player plus 10 seconds added each move.</li><li>• Players record their games on a score sheet</li><li>• Opportunities to have games analysed with a coach</li><li>• Chess puzzle training available as players finish their first games and waiting for the next round.</li></ul>	<ul style="list-style-type: none"><li>• Experience full tournament conditions and recording moves</li><li>• Get more out of your brain by playing over longer time limits</li><li>• Learn Mental Discipline and Impulse Control at the chess board</li><li>• Learn to recognise the right time to pause and calculate</li><li>• Learn the art of taking calculated risks</li><li>• Develop important habits of mind by engaging in chess tournament play.</li></ul>
